

IT Staffing Services

Overview

ITatOnce, a San Diego based leading Technology staffing and IT services company. We combine our years of expertise and proven track record of superior performance to recruit the highest level of professionals in the technical industry.

ITatOnce is a leading provider of information technology staffing solutions. With customers ranging in size from start-ups to Fortune 500 enterprises, we understand the ever increasing need for talented professionals in the workplace. We are in business to help you maintain your competitive advantage by cost-effectively delivering highly skilled consultants when and how you need them most.

Understanding your goals is the first step. Understanding your business, your culture and your needs is our business.

ITatOnce helps you address your resource requirements with contract, contract to hire and direct hire recruiting services. We invite you to see the difference working with **ITatOnce** makes. Our strength is in our people and we are ready to work for you.

ITatOnce ensures its professionals are an exceptional fit. Once we're certain a candidate's skills and experience qualify them for your job opening, our job placement process considers fit-focused fundamentals. We assess your culture and organization against candidate preferences, dress code, growth paths, education opportunities, company environment, culture and more.

Our Mission

Our mission is to bring our clients the most value from the staffing process, by developing and implementing successful recruiting strategies.

Our Strategy

ITatOnce creates customized solutions for our clients and offer resource planning consulting and technical recruiting strategies.

We utilize sophisticated search engines mining global databases, communicate and interact within all forms of cutting edge social media, partner with our national professional recruiting network and collaborate extensively within numerous technical and targeted user groups to ensure the best suited candidate is identified.

Our Fees

Our fee structure is carefully designed for flexibility to seamlessly align with your staffing needs. We offer fixed placement options, contract to hire options and contract only options. We intimately realize outstanding people comprise an outstanding company. Together, we will identify your outstanding candidate to meet and exceed your exact needs. The people are the most important asset to any company and hiring the right resources is a critical step in ensuring the future success of an organization.

Our Process

Before any candidate is submitted, each candidate is vetted technically, professionally and personally. Our exclusive search process reveals candidates not visible through conventional means. We are fully committed to identifying the best and most distinguished talent ensuring a perfect placement. Once identified, our comprehensive screening process further filters out high-performance individuals showcasing distinguished careers. Our process is thorough, yielding the best talent the industry has to offer

Our methods help us find contractors and employees that blend completely with your organizational culture and business. The **ITatOnce** process demonstrates proven results, time after time.
